## Reflections of a Country Priest

It is good to be home! I pray you and your families are doing well.

Next weekend, Jan. 24, our high school youth will be gathering in the social hall at Noon. We will have lunch and then have a presentation on Scriptures. After discussion and prayer, we should be wrapped up by 1:30 pm. We will schedule our upcoming meetings at that time as well. Invite your friends! All are welcome!

This week also marks the 43rd anniversary of terrible Supreme Court decision legalizing abortion. To mark this anniversary the Huron County Right to Life is sponsoring their Annual Right to Life March. The March will begin at 1:15 pm at the St. Paul Convocation Center. Michelle McCauley from the Pregnancy Center in Toledo will be the featured speaker. The day will conclude with the March to the Courthouse and back. Let our voices ring out for the unborn babies who have no voice to cry out and protect them.

Sincerely yours in Christ,

**Fr. Ron**

### Annual Right to Life March —Sunday, January 17<sup>th</sup>

On Sunday, January 17<sup>th</sup>, the Huron County Right to Life will hold its annual march commemorating the Roe vs. Wade decision legalizing abortion.

1:15 pm

We will assemble at the St. Paul Convocation Center lobby.

1:40 pm

Invocation prayer. A short presentation by Michelle McCauley of Toledo, representing The Pregnancy Center, will follow.

2:00 pm

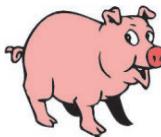

We will march to the county courthouse on Main Street. There, we will have a short service to remember all those lives lost to abortion. Upon completion of the service we will march back to the Convocation Center Lobby for the benediction prayer by Pastor Roger George.

Adam and Shelly, his wife have two children ages 1 and 4 living in Shelby. Adam is expected to come home sometime toward the end of the month, however the house has to be modified to accommodate a double amputee. The expected costs of these minimal renovations is \$13-18,000.

NFP method is different from other artificial contraception because it cooperates with, rather than suppresses, a couple's fertility; can be used both to achieve and avoid pregnancy; fosters respect for and acceptance of the total person with no harmful side effects; and is virtually cost free. NFP is unique because it enables its users to work with the body rather than against it. For additional information, registration, or to learn of other classes in the area, please call Paul or Monica Depinet at 419-660-0534 or visit [www.ccli.org](http://www.ccli.org).

#### **Inclement Weather Policy:**

Whenever a county/city within the Diocese of Toledo is placed under a Level 3 Snow Emergency, the Catholic churches within that geographic region will cancel the scheduled

Masses. Roman Catholics in that region, therefore, are dispensed from the obligation to attend Mass. If Masses are cancelled, Catholics are encouraged to participate in Holy Mass via television, radio, or internet, making a spiritual Communion. When Mass is cancelled, all other diocesan or parish events in that geographic region also are cancelled.

If you live outside of Huron County and a Level 3 Snow Emergency is declared in your county, even if not declared in Huron County where our parishes are located, you are still dispensed from the obligation to attend Mass. Also, if Mass is cancelled due to a Level 3 Snow Emergency and then later the alert is lowered to Level 2 shortly before Mass, Mass will remain cancelled at our parishes if there are less than two hours before Mass time.

**Local media, including radio station WLKR 95.3 FM ([www.wlkr.northcoastnow.com](http://www.wlkr.northcoastnow.com)), and the Huron County Sheriff's Office ([www.huroncountysheriff.org](http://www.huroncountysheriff.org)) will post weather emergency information.**

Prepare for BEST LENT EVER pick up your copy of Redicover Jesus few copies still in back of church!

**Health Ministry News for January:** Have you developed your New Year's resolution? Whether we write them out or just think about them, most of us can't help but consider the fresh beginning a New Year brings. The making of resolutions brings with it thoughts of past failures and guarded hopes for the future. (Here are some thoughts by Jan Burg RN) *My Resolution*

I won't look back; God knows the fruitless efforts, the wasted hours, the sinning the regrets: I'll leave them all with Him who blots the record, and mercifully forgives and then forgets.

I won't look forward. God sees all the future, the road that is short or long will lead me home. He will face with me every trial, and bear with me the burdens that may come. But I'll look up- into the face of Jesus, for there my heart can rest, my fears are stilled; and there is joy and love, light for darkness. Perfect peace, every hope fulfilled. The Lord is your partner and he will bless your efforts at growth. (... He who began a good work in you will carry it on to completion until the day of Christ Jesus! Php 1:6). Enjoy the knowledge that all things are in the hands of our loving God.

## **Fr. Martin Holler of UNBOUND**

### **THANKS the parishes of St. Alphonsus & St. Joseph**

I came to Monroeville and Peru with 35 names of children, youth and elderly. The appeal was very, very successful! I would like to thank you, the parishioners, and Fr. Ron for inviting me to your lovely parishes and for your generous support, 26 needy people were sponsored because of you and will have new hope for their lives! I was able to leave 7. folders for others to become unbound sponsors, they are at Mass today and will be in the parish office for one more chance if you would kindly consider sponsoring one of them. Come and view them in back of church this weekend or stop by the parish office. The parish office will hold the folders on these needy individuals until January 26th

God Bless, Fr. Martin Holler

**Unbound is a sponsorship program that began in 1981 by lay Catholics to help children and elderly—empowering them to live lives with dignity and reach their potential.**
