## REFLECTIONS OF A COUNTRY PRIEST

This weekend on Sunday, March 13, our St. Joseph School will be hosting an Open House for all. Come and see what our school has to offer you and your children in a quality Pre-School (3 and 4 year olds) through 8th grade education. Our family like atmosphere, led by an outstanding caring faculty and staff, provides for a nurturing yet academic learning environment wrapped in the ability to proclaim our faith in Jesus Christ. We would love to have your child become a part of our school family. As a priest, it is such a blessing being able to see and interact with our children on a regular basis. Come and see us this weekend or at anytime by calling our Principal Mr. McDowell.

Next weekend, Saturday March 19, our Confirmation students will be having their Retreat at St. Alphonsus. Please pray for them as they continue to prepare to be confirmed at the Cathedral in Toledo on Saturday April 2 at 11:00 am by Bishop Daniel Thomas. All are welcome to come and witness this important sacrament for our young people.

Next, I ask you to especially pray for Ashley Koch who will be baptized, confirmed and make her first communion all at the Easter Vigil. Ashley's husband's name is Andrew and they have three beautiful children, Colton, Kameron and Nora. Let's us keep the whole family in prayer.

Finally, just an update on my ankle. I recently had an appointment with my doctors at the Cleveland Clinic. The short of it is that the next step is surgery to fuse my ankle together whenever I would decide to go that route. I am probably going to hold off as long as I can. And hope that my concerted effort to lose weight next January on my sabbatical will help my ankle. Some days I am bothered greatly, other days it is pretty good. As we approach celebrating the Passion of the Lord. I am reminded to unite this with Jesus. Some days are easier to do that than others!

Oh, one last thing. The photography sessions for our pictorial directory starts this week. Thanks to all who have signed up so far. I am excited about the possibility of having many of our families included in this new directory. Some of you have commented how I can remember names. A big part of that is going through the past directory that was done with Fr. Ken Lill. I make a point of praying for all the families on a page each night. I pray over the names and faces. I remember one person coming out after Mass and was surprised that I called them by name when I had not yet the chance to meet them personally. 'How did you know my name?' Was the question. I simply said, 'I have my ways!' Now you know my ways.

Have a blessed week!  
Peace,  
Fr. Ron

**LAUGHTER IS THE BEST MEDICINE:** My husband's new "unbreakable" titanium eyeglasses broke. When he brought the many pieces back to the optometrist to have the glasses replaced, the assistant asked what had happened. "they fell under the lawn mower," he explained. "Oh," she said, nodding. "Were you wearing them at the time?"

and the committee is looking for someone to take over the construction of a large hand crafted item to be raffled at our festival. Alf Schafer for many years donated his talents as a woodworker and built a beautiful glider/table set. The craft could be whatever the builder would be willing to make. Please contact the parish office or Susie Lohmann [419-706-9986](tel:419-706-9986) if you can help!

**The St. Joseph Festival committee is looking for two couples/3 persons to take over the chair position for the finely tuned well oiled Carryout .Linda Smith, Theresa Fries and Tam Opper have asked to be replaced but are willing to stay on one more year to help with the transition. The carryout serves almost 3/4 of all our dinners. There is a great group of volunteers in place who have loads of fun and are quite dependable. This chair position would require about a day and a half of service to our church and the rewards are immeasurable.**
